

Power Boat Handling Courses

Level 1 an introductory level course for those with no previous experience who wish to gain taster of boat handling.

Level 2 This 2 day course is an introductory level course aimed at giving people the knowledge to take charge of powered craft

with confidence in normal sheltered coastal locations. Course covers basic seamanship skills such as boat handling, weather meteorology, pilotage, anchoring, basic boat checks and appropriate equipment. This course is very much a practical based course. All courses follow the RYA syllabus and are appropriate for those wishing to obtain RYA certificate of competence. No prior knowledge is assumed or required.

RYA Safety Boat Course

For those using power boats in a safety boat situation including dinghy sail training, rescue fleets on dinghy races, kayak, canoe, windsurf rescues.

This is a 2 day course.

Prerequisites Must hold an RYA level 2 certificate.

All the above courses:-

£175 per person Non residential

£200 per person Residential (self catering)

All our Power Boat courses are under the supervision of a Royal Yachting Association advanced powerboat instructor and all instructors are a minimum of RYA instructors with coastal endorsements.

Courses are run on the following dates:-

Saturday 14th March, Sunday 15th March 2009

Saturday 4th April , Sunday 5th April 2009

Other dates available subject to demand. We need a minimum of 2 persons to make a course viable and can run courses for up to 6 persons at any one time.

Driving boats in coastal locations can be a physically demanding activity. Participants should ensure they are physically fit prior to attending the course. If you are unsure please phone us to discuss the matter further with one of our instructors.
